with
New Zealand's
Glacier Country

The Fox and Franz Josef
Glaciers cut through
dramatic glacial valleys
to flow into temperate
rainforest.

While many glaciers
world-wide have been
retreating, these glaciers
still flow almost to sea
level, making them
unique relics of the last
Ice Age.

Lake Matheson Motel Winter Package

Your Fox Glacier accommodation at Lake Matheson Motels offers all the home comforts you'd expect from a quality, modern motel and much more.

Book and pay for 2 nights at Lake Matheson Motel plus any scenic flight with the Helicopter Line and you get one nights accommodation FREE. Offer applies to studio and 2 bedroom units. PLUS get a free wine or beer if you choose to dine at The Plateau Café and Bar.

Couples Upgrade. If you choose to book 40 minute scenic flights you will be upgraded to a spa bath studio unit.

Offer ends 31st August 2010. To take advantage of this great deal you MUST book with Lake Matheson Motel directly.

Flights can be checked out at www.helicopter.co.nz or talk to the friendly staff at Lake Matheson Motel and they can recommend you. Phone us at 0800 GLACIER (452243) or visit www.lakematheson.co.nz. Mention the Glacier Country Winter Package to make the most of this great package.
